

Eagle & Child Inn

BAR

MENU

Welcome to the Eagle & Child Inn

The Inn was originally a stone farm croft which was converted to a public house over 150 years ago. The building has undergone various renovations over the years with major refurbishment being undertaken in 2007 to expand the original one bar room to provide the present environment. To compliment the Inn the gardens have been developed for the pleasure of our patrons.

Our food where possible is freshly prepared on the premises and cooked to order, so please be willing to wait a short while before service of your meal.

For to days Specials kindly refer to the Specials Board.

Please place all orders at the bar.
