how are we doing?

If you fancy telling us how we're doing, then we'd really value your feedback on your most recent visit to Pitcher & Piano. Pick up an entry card at the bar, check the bottom of your receipt for your entry code or enter the bar's telephone number and visit www.tellpitcherandpiano.com.

Tell us everything: the good, the bad and the ugly in a short survey that shouldn't take more than a few minutes of your time. Your feedback will really help make us even better at delivering the best customer service. What's more, by completing this survey you could win a magnum of Moët & Chandon champagne... now we can't say fairer than that, can we?!

we love a good old knees up...

Whether it's a breakfast meeting, lunch with friends, after-work drinks, a corporate do or a big night out. From hiring the whole bar to a table for just two; there's no hire charge and we do all the hard work. Pop in, give us a call or visit www.pitcherandpiano.com/makeabooking and we'll make it happen for you.

PIANO

welcome to Pitcher & Piano

It's our mission to serve great-tasting, fresh food every time you visit. That's why we've been working really hard to create the perfect menu for the winter months, with something for everyone and every occasion.

Lunchtime promises tasty sandwiches, juicy burgers and our salads are just right if you fancy something a bit lighter to see you through the day. If you'd rather something more hearty, one of our winter warmers should do the trick, followed by an indulgent pudding! Or, if you just can't decide and want to share with friends, enjoy our grazing and sharing dishes whenever you like.

And if you're with the little ones and they need feeding too, we have a kids' menu – perfect to keep them occupied! Just ask a member of our team for the menu.

grazing

Our grazing dishes are ideal as a starter, side or perfect to share with friends.

If you see a (V) next to any of our dishes it means it's perfect if you're a vegetarian. Where we state a weight, it's a raw weight and 1oz equals approximately 28 grams. Some of our fish and poultry dishes might contain bones, whilst all dishes may contain nuts or traces of nuts. And finally we're proud of the fact that all our food is GM-free to the best of our knowledge.
