SUMMER 2016

SUMMER 2016.

DEEP SUMMER IS WHEN LAZINESS FINDS RESPECTABILITY.

— SAM KEEN

Welcome to the Summer 2016 menu at The Blacksmiths Arms!

If you are reading this then firstly “Thank you” for choosing to visit us – we hope that we exceed your expectations.

Summer is here and its our favourite season here at The Blacksmiths! We've already had some scorching days with lazy long afternoons and hopefully they will continue late into the year. In celebration of our favourite season our brilliant chefs have created some irresistible dishes that are just right for eating in the sun!

Of course we have the usual favourites for you along with our signature Blacksmiths Bangers. We have some amazing wines to compliment our dishes so why not ask us about them? If we can help you enjoy your summer even more through our food and drink then we have done our job!

If you are having trouble deciding we have marked the dishes that we are particularly proud of with our blacksmiths symbol. These are the dishes that we have become famous for! Whilst everything on the menu is great; if you need a little help, follow the Blacksmith!

Thank you once again for visiting us and Enjoy!

Simon, Nigel and the team!
