## GIN LIST

### SILENT POOL £4.25

All the botanicals work together in unison to afford a romantic, complex flavour. Fresh floral and clarifying citrus notes are grounded by earthy and spicy cassia bark and cubeb. The smooth finish is achieved with the help of local honey. Recommended serve is with a generous handful of ice, a dash of tonic, and a twist of orange peel to garnish.

### SIR ROBIN OF LOCKSLEY £4.25

Up-front juniper with more delicate aromas of elderflower bubbling through. Deliciously smooth and round on the palate – warm cassia notes soothed with dandelion. Pink grapefruit adds an underlying sweetness and lingering citrus finish. Balanced yet distinctively unique.

### LIVERPOOL VALENCIA ORANGE GIN £4.25

With an intense juniper and complex, well-balanced botanical flavour over a rich cereal note but with a much bigger citrus note at the finish from the addition of whole oranges from Valencia.

### BROCKMANS GIN £3.50

Brockmans is an intensely smooth gin that tastes great over ice. The flavour notes that make Brockmans so unique, are derived from an intriguing and unique bond of flavours. The Bulgarian coriander plays its part, it has aromatic, almost gingery orange flavour, which marries beautifully with the softer, more rounded harmonies of blueberries and blackberries.

### CHASE PINK GRAPEFRUIT £4.25

Pink Grapefruit & Pomelo Gin is crafted by copper pot distilling GB Gin with a bounty of pink grapefruit and pomelo peels. This zippy and zesty gin mixes perfectly with tonic and should be garnished with a fleshy wedge of pink grapefruit.

### AGNES ARBER GIN £4.25

On the 24th May 1948, Agnes became the first woman to receive the Gold Medal of the Linnean Society, a world famous institution dedicated to the study of natural history. It is with appreciation of Arber's work that this gin has been produced, this convergence of nine botanicals distilled together. The savoury, earthy notes of juniper, coriander and angelica are complimented by the warm and spicy tones of cassia. Flavours of lemon, orange and grapefruit combine with a twist of liquorice.

# Sydney's

## GIN LIST

### HENDRICKS £3.50

Handcrafted gin with traditional botanicals, juniper, coriander, and citrus peel but the special infusion of cucumber and rose petals creates a unique and unexpected flavour.

### NELSONS RHUBARB AND CUSTARD £4.25

Infusing fine and pleasingly original botanicals from across the globe, such as lemongrass and kaffir lime leaves from Thailand, vanilla from Madagascar and cinnamon from Sri Lanka. Enjoyed neat over ice or with a premium tonic, this drink will bring all those childhood memories rushing back.

### MASONS PINK PEPPER PEAR GIN £4.25

While Masons likes to keep its botanical recipe a closely guarded secret, the team has made an exception for this pepped-up expression – rumoured to be a favourite up at the Yorkshire HQ. Along with the Harrogate spring water and usual botanical mix comes a healthy dose of delicate pink peppercorns and juicy conference pears. This is one of just 5,000 bottles, but the team like it so much that they say they might make some more.

### FOREST GIN £5.00

Forest Gin is family-created small batch gin, produced by Lindsay and Karl Bond. To make it, they steep some classic gin botanicals (including organic juniper berries and coriander seeds) in organic grain spirit.

### SLINGSBY RHUBARB £4.25

Made with 24 botanicals, (17 of which are locally sourced in Yorkshire), Harrogate aquifer water, pure single-grain spirit and masterfully infused with locally grown rhubarb.

### GIN MARE £3.50

Gin Mare is a new super premium gin inspired by botanicals grown in the Mediterranean. These are individually distilled in a custom-made still and then hand-blended to produce a gin with a truly unique and distinctive character.

### WHITLEY NEILL PARMA VIOLET £3.50

The aromatic violet flower infuses a subtle floral note to the smooth English gin base for a vibrant intense taste of Italian elegance.

### WHITLEY NEILL RHUBARB & GINGER £3.50

The essence of rhubarb adds a tart crisp edge to a smooth English gin base whilst the ginger extract warms the palate for a full-bodied finish.
